

MORE ONLINE MUSIC

As legal downloads finally overtake those of a less law-abiding nature, here's another place to get your digital music fix: www.mediaatlantic.com. Choose from some 200,000 WMA-encoded tracks. Singles are priced from 79p, while albums start at £6.99. And you can even pay for them via text message...

DOUBLE THE DIGITAL

If it's a long-distance HDMI cable you're after, then check out Supra's new HF100. Supra tells us it's the only cable certified by a Silicon Image Testing Centre (no less) to carry an HD signal over 12 metres. Prices range from £45 for a 1m cable, to £155 for that 12-metre length.
